Applicable Permits

- South Atlantic Charter/Headboat for Coastal Migratory Pelagic Fish permit (CHS)
- Atlantic Charter/Headboat for Dolphin/Wahoo permit (CDW)
- South Atlantic Charter/Headboat for Snapper-Grouper Fish permit **(SC)**

Vessels with Multiple Permits

Federal permits issued by NOAA's Southeast Regional Office are tied to a vessel. Each vessel must meet the reporting requirements for all of the permits assigned to the vessel. Complying with Gulf requirements will also satisfy South Atlantic/ Atlantic requirements for dual permit holders. Individuals with multiple permits should review the requirements for each permit.

Reporting is Required

A logbbook is required for all for-hire intended fishing trips, regardless of where fishing occurs, including other regional or state waters. Logbooks are due the Tuesday following a Monday-Sunday fishing week. If no for-hire

trips are conducted in a week, a "Did-Not-Fish" report is required. These can be submitted up to 30 days in advance.
